Audiovision

Don't you hear the wake-up call
I've got some news for you
Gimme a minute of your time
Listen to the Father's voice
He's calling out for you
He is the keeper of the truth

Don't be afraid
It's really worth a try
'Cause He will never let you down
He has an offer
That no one can refuse
And His love goes on and on

You're all invited
Invited to the party in the sky
You're all invited
Listen and we'll give the reason why

Yeah He's been around
Since the day that you were born
And He has been there by your side
Giving you a promise
You'll never walk alone
