

# The Calling

Audiovision

My time is here  
I've got nothing to fear  
I've got my strength inside  
My inner voice tells me clear

I used to fight  
But I saw no light  
I used to hide  
But I fell on my own pride

I carry on  
My soul is strong  
I got my call  
I am your son and  
Through it all  
I will stand tall  
You'll never let your kingdom fall

My life is here  
This time's for real  
No one can steal my life  
The spirit  
Cast away my fear

Lay down your cards  
You have no control  
Your game is lost  
The winner takes it all
