

# No Turning Back

Audrey Assad

My little heart is swelling with a song from somewhere  
else,  
It's filling up with glory and I'm ringing like a bell,  
My little heart, my little heart is racing,  
It's racing just to keep up with your love and live to  
tell, and live to tell,  
and it's all I know

I'm following behind you,  
I'm staying close beside you,  
I've got nothing to lose, and I've got everything to  
find  
There's something in your laughter,  
that keeps me running after,  
I'm breathing to the beat of your heart and leaving the  
world behind,  
No turning back

My violence, my vices, they don't keep me warm at  
night,  
My worries and wasted hopes look washed out in the  
light,  
My little heart, my little heart is flying,  
My little heart, it longs for the kindness in your  
eyes, its in your eyes,  
and it's all I know,

I'm following behind you,  
I'm staying close beside you,  
I've got nothing to lose, and I've got everything to  
find,  
There's something in your laughter,  
that keeps me running after,  
I'm breathing to the beat of your heart and leaving the  
world behind,  
No turning back

Though none go with me  
Still I will follow [3X]

No turning back, no turning back,

I'm following behind you, beside you,  
I've got nothing to lose, and I've got everything to  
find,  
There's something in your laughter,  
that keeps me running after,  
I'm breathing the beat of your heart and leaving the  
world behind,

No turning back [5X]
