Run Forward

Audrey Assad

Oh, won't you show what you're feeling?
Is it too much to ask that your heart be revealing?
Just a little bit, oh, just a little bit, just a little

I don't think I've ever informed you
I love you desperately even though I only know you
Just a little bit, oh, just a little bit, just a little

Oh, how'd we get so disconnected?
My heart is shutting down, I just can't let it

So I'll run forward and pray you fall back
Grace will come and clear your path
Yeah, I'll run forward and you fall back
Come back

Oh, you treat your time like you own it
It's slipping fast away and you're not getting younger
Not even a bit, no, not even a bit, no, not at all

This love is a battle we're fighting
You've laid your armor down, oh, and now I can't find it
Not even a bit, no, not even a bit, no, not at all

Oh, you took your love for granted
But oh, it never left you for a second

So I'll run forward and pray you fall back
Grace will come and clear your path
Yeah, I'll run forward and you fall back
Oh, I'll run forward and you fall back

You make me afraid
Thank you, I've got to thank you
'Cause now I know His strength
Thank you, I've gotta thank you
So please don't run away, oh
Don't run, don't run

So I'll run forward and pray you run back
Grace will come and clear my path
Yeah, I'll run forward and if you run back
Oh, I'll run forward and if you run back
Oh, I'll run forward and you fall back

Come back, I pray you'll come back, my love
Come back and grace will come to clear your path
Oh, I'll run forward if you fall back
You come back, my love, come back
