

You've drawn so close
That it's hard to see you
And you speak so softly
That it's hard to hear you
And I guess that's what I get
For inviting you in
Because you took me at my word
And now I know

Faith is not a fire
As much as it's a glow
A quiet lovely burning
Underneath the snow
And it's not too much
It's just enough to get me home
Cause love moves slow
Love moves slow

You run so deep
That it's hard to miss you
And you come so near
That it's hard to feel you
Oh, and I guess that's how it is
When I let you move
Because you take me at my word
Oh, and now I know

That faith is not a fire
As much as it's a glow
A steady humble lamplight
In the window
And it's not too much
It's just enough to get me home
'Cause love moves slow
Love moves slow

I heard that faith moves mountains
I know it moves my feet
To follow you
And maybe I'm a mountain
Because it's moving me
To follow you

My faith is not a fire
As much as it's a glow
A little burning ember
In my weary soul
And it's not too much
It's just enough to get me home
Because your love moves slow
Yeah, your love moves slow

So I move slow
Because you move slow
Love moves slow
Let's move slow
