

Bleed

Audrey Horne

Whatever happened to the plan?
I'm left alone, stuck, gun in hand
This isn't what I had in mind

Backstabbed and cornered up again
I'm dead no matter what this time
This isn't what I had in mind!

Bleed me dry!
Bleed me dry!

Two-timed and drained for all I had
I've been sucked dry and left for dead
This isn't what I had in mind

It's what you get from being numb
What goes around, comes around
This isn't what I had in mind!

Bleed me dry!
Bleed me dry!

Bleed me dry!
Bleed me dry!
