

# Halo

Audrey Horne

Remember those walls I built  
Well baby they tumbling down  
And they didn't even put up a fight  
They didn't even make a sound  
I found a way to let you in  
But I never really had a doubt  
Standing in the light of your halo  
I got my angel now

Bridge:

It's like I've been awakened  
Every rule I had you breaking  
It's the risk that I'm taking  
I ain't never gonna shut you out  
Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

Chorus:

I can't feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo

Hit me like a ray of sun  
Burning through my darkest night  
You're the only one that I want  
Think I'm addicted to your light  
I swore I'd never fall again  
But this don't even feel like falling  
Gravity can't forget  
So pull me to the ground again

Bridge:

Feels like I've been awakened  
Every rule I had you breaking  
The risk that I'm taking  
I'm never gonna shut you out  
Everywhere I'm looking now  
I'm surrounded by your embrace  
Baby I can see your halo  
You know you're my saving grace  
You're everything I need and more  
It's written all over your face  
Baby I can feel your halo  
Pray it won't fade away

Chorus:

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo  
I can see your halo halo halo

I can feel your halo halo halo  
I can see your halo halo halo  
I can feel your halo halo halo
