

## Head Unbound

Auf Der Maur

Fall around the fire,  
And I, fall around the fire  
A higher me for you,  
Hire me for you  
Fall around town, down  
For the rest of the world to drown  
For you'll come down  
To the rest of your falling down,  
On your head  
Falling down  
With your head unbound  
I'm falling down  
Down to your ground  
Fall around town, down  
For the rest of the world to drown  
For you'll come down  
To the rest of your falling down,  
On your head  
And I said you could hurt me  
No more,  
With your heart on the floor  
I said you could hurt me no more  
To the rest of the world it's sure  
That you will hurt me no more  
To the rest of the world,  
You're surely hurting more  
I'm falling down  
Downtown to your ground
