

# I'll Be Anything You Want

Auf Der Maur

Oooh love is fun (Care to dance?)  
You're a boy, I'm a girl  
Are you ready? Please  
Lot's of fish in the sea  
But is it her or me?  
That's right, you'll see the light  
All you need is me honey  
Can't you see?  
I'll be anything you want  
You love me more than you love yourself  
I'll be anything you want  
You love me more than you love yourself  
I'm on my knees, on my knees  
Begging you darling please,  
Please, please  
Pick me, pick me, pick me  
Someday, I have to say,  
I'll be with you  
We'll share a dance, romance  
A little dinner for two  
You'll be mine,  
I'm yours it's fine!  
Everything we ever dreamed of baby,  
Is ours tonight  
I'll be anything you want  
You love me more than you love yourself  
I'll be anything you want  
You love me more than you love yourself  
You'll be anything I want  
You love me more than you love yourself  
I'll be anything you want  
You'll be anything I want  
You love me more than you love yourself  
You'll be anything I want  
You love me more than you love yourself  
You'll be anything I want  
You love me more than you love yourself  
Pick me  
You're finished with your woman  
Cause she is not me
