

## Would If I Could

Auf Der Maur

For today I'm lost without you  
Forgot the way to be without you  
Yeah you know I would stay alone  
Yes i would if I could stay alone  
But for today I'm lost without you  
I need a way to be without you  
Need a way to find just a few of you  
Yeah you know I would stay alone  
Yes I would if I could stay at home  
Don't you know I would if I could  
Remember the day I was lost without you  
I found a friend who laughs just like you  
Yes I would stay alone  
Yes I would if I could
