

# Don't Matter

August Alsina

When we put in the work, it's gon' be a long night  
Come by where you live, won't take no time  
When I'm all in the middle, where you wanna go now?  
We could bring it up top, tell me what's on your mind

I be knocking down the walls every time you make that call  
You be changing all your plans, but you're callin' me your man  
You got something I can feel baby, girl it's been so long  
I been been having (having) withdrawals, I been having withdrawals  
Yeah, wouldn't you know it, tell me if you know this  
I've been doing good (I've been doing good)  
We had it all, baby, right all my wrongs, baby  
Loving you so good (loving you so good)

I don't know how to feel when I'm close to you  
Been nice holding ya, laid my eyes on ya  
I'm gon' ride for you (Oh yeah)  
When I'm close to you, been nice holding ya  
We ain't got all day, don't really care what they say  
It don't matter to me, it don't matter to me  
It don't matter to me, it don't matter to me  
It don't matter to me, it don't matter to me  
It don't matter to me, it don't matter to me  
Nah, It don't matter to me, Nah, Nah

Girl it don't matter to me, I'll bring us into the beach  
Down in that ocean, we rockin a boat, girl you're much like Aaliyah to me  
One in a million, you one of a kind  
Baby, you blowin, you blowin my mind  
All of my neighbours, they wanna know why (know why)

I be knocking down the walls every time you make that call  
You be changing all your plans, but you're callin' me your man  
You got something I can feel baby, girl it's been so long  
I been been having withdrawals, I been having withdrawals  
Yeah, wouldn't you know it, tell me if you know this  
I've been doing good (I've been doing good)  
We had it all, baby, right all my wrongs, baby  
Loving you so good (loving you so good)

I don't know how to feel when I'm close to you  
Been nice holding ya, laid my eyes on ya  
I'm gon' ride for you (Oh yeah)  
When I'm close to you, been nice holding ya  
We ain't got all day, don't really care what they say  
It don't matter to me, it don't matter to me  
It don't matter to me, it don't matter to me  
It don't matter to me, it don't matter to me  
It don't matter to me, it don't matter to me  
Nah, It don't matter to me, Nah, Nah
