

## Drugs

August Alsina

Aw yeah, yeah yeah  
Yeah yeah yeah  
Aw aw, oh yeah yeah  
Aw aw

I got you on my mind, oh  
I got you on my mind  
You're not here and I can't sleep  
I got you on my mind  
And I can't seem to find you nowhere  
Baby, you got me patrollin'  
'Cause you been on the run, Forrest Gumpin'  
Girl, don't hide it  
I'm just tryna to this dirty laundry  
I got a few towels to throw in  
Just lick my blunt when I roll it

'Cause I can't get enough of your drugs  
'Cause I can't get enough of your drugs  
So baby, just tell me when you're ready, oh  
Ooh baby, just tell me when you're ready

Guess you can't give me no answers  
If I can't give you no ransom  
You rather take your chances  
And do shit the hard way  
When you left that door open  
Girl, I got the notion  
You still had emotions  
Guess silence is golden  
Baby, when I tell you I want you, I want you bad  
If not more than before, I want you more than the time before t  
hat  
I can't give you no closure, no  
I can't give you no closure, oh  
I can't give you no way out  
I can't give you no way out  
I can't give you no way out, yeah  
I can't give you no way out

'Cause I can't get enough of your drugs  
'Cause I can't get enough of your drugs  
So baby, just tell me when you're ready, oh  
Ooh baby, just tell me when you're ready
