(Intro)

We get feelin' like fuck my life
Life's a bitch, you betta fuck me right
Lost my love in this loosing game
When the bets came, it's like I lost my wife
Nigga loosin' weight, cause I'm loosing time
See, I took it low, see I lost my meal then I lost my mind
Overcompensating with them hoes x2
Over did it like it's overtime
Run the tabs like she overdue
Alsina, I've seen
