

# Sucka

August Alsina

[August:]

Why you callin my whole problems, them your problems... [dial tone]  
Then you callin back nigga fuck that call your chick this my phone  
Last time I checked I was full grown  
So I ain't got time to play withcha  
Keep on talking that bullshit  
I might make your girl a twit picture  
Pose, yeah  
Your chick will be lovin that  
My spot be the place she get her lovin at (loving at)  
Don't be mad 'cause I didn't know she was your girl then  
Now you sad sayin that August stole your girlfriend.

[Chorus:]

Love is for suckers that's why I don't trust em  
'Cause you tryin cuff em  
You end up in trouble sayin  
Love is for suckers that's why I don't need it  
'Cause when she say she love you  
She'll make you believe that you're in love  
(Love, love love, love love)  
Now she got you open and she got you hopin you're in love  
(Love love love, love love)  
But you shouldn't trust her 'cause you just a sucka for love  
(Oh oh ohhh you),  
You're not in love, you're just a sucka for love  
Uh uh uh, you're not in love, you're just a sucka for love

[Lloyd:]

What's up homie? What's goin on? I heard you gotta lame nigga calling your p  
hone  
He got this game all wrong, if he had any words witcha  
He's a fool to be calling you, guess he don't see the big picture (LOVE!)  
That four letter word will have you sick, and love will have a nigga losing  
it  
Cause he thought he could trust her and she ain't like the others so he thou  
ght he could love her  
But now he's saying...

[Chorus:]

Love is for suckers that's why I don't trust em  
'Cause you tryin cuff em  
You end up in trouble sayin  
Love is for suckers that's why I don't need it  
'Cause when she say she love you  
She'll make you believe that you're in love  
(Love, love love, love love)  
Now she got you open and she got you hopin you're in love  
(Love love love, love love)  
But you shouldn't trust her 'cause you just a sucka for love  
(Oh oh ohhh you),  
You're not in love, you're just a sucka for love  
Uh uh uh, you're not in love, you're just a sucka for love...

(Just a sucka, just a sucka)  
(Just a sucka, just a sucka)  
(Just a sucka, just a sucka)

You're not in love, you're just a sucka

[August:] Helluh?
