

# Are You for Sale

Aura Dione

Are you for sale  
As your walking down the street  
Are you for sale  
Says the man who cant see his feet

I was a baby in your wound when I'm a woman

Are you underage  
Are you over-qualified  
How do you feel  
When they say that everything has a price, whats your price

I was a baby in your wound when I'm a woman

If every woman and man is in me  
Well tell, tell me  
Which part is he?  
And if every woman and man is in him  
Well tell me, tell me  
Which part is me?
