

## Heavens On Fire

Aura Noir

You think your soul is nice  
you've lived in paradise  
so now you take the stand  
you want to hold your masters hand  
you think your soul is free  
look up and you'll see me  
the pearly gates ablaze  
the angels bear the zombies gaze  
[chorus:]  
heavens on fire  
and there ain't nothing you can do  
heavens on fire  
and when you die you'll go there too  
the angel's life their death  
no there ain't nothing left  
the clowns of God despise  
but torment renders no disguise  
the skies a blazing tomb  
plenty sorrow plenty doom  
they hattle living sin  
the souls of God can't hate to win  
[chorus:]  
if God is so almighty  
they why is he enslaved  
in heavens hell by Satan  
the universe his slave  
Satan rides the skies  
look up you'll see his eyes  
disguised as endless stars  
to keep an eye on endless wars  
do you believe in God  
he's chained up like a dog  
and every hour he screams  
Satan rules supreme
