Running with the Wolves

AURORA

Go row the boat to safer grounds But don't you know we're stronger now My heart still beats and my skin still feels My lungs still breathe, my mind still fears But we're running out of time, time For the echo's in my mind, cry There's blood on your lies The skie's open wide There is nowhere for you to hide The haunting moon is shining I'm running with the wolves tonight I'm running with the wolves I'm running with the wolves tonight I'm running with the wolves I'm running with the (wolves) Trick or treat, what would it be? I walk alone, I'm everything My ears can hear and my mouth can speak My spirit talks, I know my soul believes But we're running out of time, time For the echo's in my mind, cry There's blood on your lies The skie's open wide There is nowhere for you to hide The haunting moon is shining I'm running with the wolves tonight I'm running with the wolves I'm running with the wolves tonight I'm running with the wolves I'm running with the wolves I'm running with the wolves tonight I'm running with the wolves I gift and curse They track it hurts I can't be dreaming The night deceives us, A million voice inside my dreams Where hope is left so incomplete I'm running with the I'm running with the wolves I'm running with the I'm running with the I'm running with the I'm running with the wolves! I'm running with the wolves tonight I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the wolves tonight

I'm running with the wolves

I'm running with the
