

I fall asleep in my own tears
I cry for the the world, for everyone
And I build a boat to float in
I'm floating, I'm floating away

I can't recall the last time I opened my eyes
To see the world as beautiful
And I built a cage to hide in
I'm hiding, I'm trying to battle the night...

Let love conquer your mind
Warrior, warrior
Just reach out for the light
Warrior, warrior
I'm crying
Warrior, warrior
I'm crying
Warrior, warrior of love...

I stand behind the wall of people and thoughts, mind controlling
And I hold a sword to guide me
I'm fighting my way...

I can't recall the last time I opened my eyes
To see the world as beautiful
And I built a cage to hide in
I'm hiding, I'm trying to battle the night...

Let love conquer your mind
Warrior, warrior
Just reach out for the light
Warrior, warrior
I'm crying
Warrior, warrior
I'm crying
Warrior

Underneath darkened sky
There's a light
Capture love

Let love conquer your mind
Warrior, warrior
Just reach out for the light
Warrior, warrior
I'm crying
Warrior, warrior
I'm crying
Warrior, warrior...
