

# Dirty Work

Austin Mahone

Rolling my sleeves up to here  
To make you smile ear to ear  
Girl I've been hitting that, hitting that graveyard shift  
You won't find another one built for this, dirty work, ooh, dirty work  
Baby I don't need no help  
I'd do it all by myself  
Girl I been putting in, putting in over time  
You ain't gotta tell me what's on your mind, dirty work, ooh, dirty work

Cause when you do what you love  
You're gonna love what you do  
You know I do it with love  
Each night I do it for you

It's the dirty work, somebody's gotta do it  
Dirty work, so we're getting into it  
Dirty work, go and get your body moving  
You know it ain't no nine to five, we're going sundown to sunrise  
Dirty work  
Dirty work

I'm filthy down to the core  
Leave all your stress at the door  
You know you need to stop scrubbing with Mr. Clean  
Bring it right here, come next to me, dirty work, ooh, dirty work

Cause when you do what you love  
You're gonna love what you do  
You know I do it with love  
Each night I do it for you

It's the dirty work, somebody's gotta do it  
Dirty work, so we're getting into it  
Dirty work, go and get your body moving  
You know it ain't no nine to five, we're going sundown to sunrise  
Dirty work  
Dirty work

Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na, dirty work  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na, dirty work  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na

Cause when you do what you love  
You're gonna love what you do  
You know I do it with love  
Each night I do it for you

It's the dirty work, somebody's gotta do it  
Dirty work, so we're getting into it  
Dirty work, go and get your body moving  
You know it ain't no nine to five, we're going sundown to sunrise
