

# Subway Song

Austin Mahone

Open the door and I walk up inside  
Take off my shades and I get in the line  
I'll take a footlong, double ham, double cheese  
"Would you like it toasted?" "Oh yes freakin' please!"

Timer's set for a minute, I'm getting concerned  
I yell out, "Yo homie, my subs gonna burn!"

(Sub's gonna burn)  
(Do you wanna go faster! ? yeah! )

Let's go!

My sub comes out golden. "Would you like any veggies?"  
I yell with disgust, "Does it look like I'm heavy?"  
(No no no)

I just want mayo and not too much  
And if you're not careful you'll be wearing my lunch!

(Ohh yeahh) Yo!

(Let's turn things up a little louder! )  
(Here we go here we go! )

"That's \$5.41 please!" I hand her my card  
Sent from mahomies cause they love me so hard!  
I pay then I'm out cause I wanna get home  
I hop in my ride and then I tweet from my phone

Uhh. Yee. We'll do this next week  
(How long can I wait for you?)
