

Till I Find You

Austin Mahone

Somebody call the police...

Girl, I woke up with you on my mind,
I found your picture on my phone,
I don't know what you did to me that night,
I'm in the twilight zone.

Tell me why I'm trippin'
Still thinking 'bout the way you move?
Tell me am I crazy?
Will I ever ever find you?

Every minute I'm without you I lose,
'Cause an angel touched my heart and took my cool,
Every second burns like fire,
I'm doomed,
What I go through
'til I find you.

Gone, no trace I'm going Sherlock Holmes,
Cinderella when the clocks go strike,
It gets so hard to breathe on my own,
Girl I'm runnin' out of time.

Tell me why I'm trippin'
Still thinking 'bout the way you move?
Tell me am I crazy?
Will I ever ever find you?

Every minute I'm without you I lose,
'Cause an angel touched my heart and took my cool,
Every second burns like fire,
I'm doomed,
What I go through
'til I find you.

Wonder where what you're doing girl, baby I'm bout to lose it,
I've been runnin' around the world, I won't stop 'til I find ya.
Wonder where what you're doing girl, baby I'm bout to lose it,
I've been runnin' around the world, I won't stop 'til I find ya.

Tell me why I'm trippin' (tell me why I'm trippin' girl)?
Tell me am I crazy?
Oh, find you!

Every minute I'm without you I lose,
'Cause an angel touched my heart and took my cool,
Every second burns like fire,
I'm doomed,
What I go through
'til I find you.
