

# Waiting For This Love

Austin Mahone

Oh  
I've been thinking about all the things that we can do  
When it's me and you

And oh  
Your body's calling me  
I'll fulfill your needs  
I can be your fantasy

We start it from the bed  
Take it to the floor  
Tell me what you need  
Baby let me know  
We don't need to rush  
We can take it slow  
Cause all this is for  
You and me alone  
Shut off all the phones  
We... home  
Hope us to ourselves  
Imma make it known  
Ain't nobody else

You know that we will stay the night in  
Cause I've been  
Waiting for this love  
No, I just can't enough

Would you wanna stay the night in  
The time is  
Right for me and you  
Ain't no telling what we do

Got me talking love you  
Got me talking love you  
Now we're talking love you  
I've been waiting for this love  
Got me talking love you  
Got me talking love you  
Now we're talking love you  
I've been waiting for this love

Let me talk to you  
All the minutes I give  
I wanted them in  
And say I'm finished with you

We start it from the bed  
Take it to the floor  
Tell me what you need  
Baby let me know  
We don't need to rush  
We can take it slow  
Cause all this is for  
You and me alone  
Shut off all the phones  
We... home

Hope us to ourselves  
Imma make it known  
Ain't nobody else

You know that we will stay the night in  
Cause I've been  
Waiting for this love  
No I just can't enough  
Would you wanna stay the night in  
The time is  
Right for me and you  
Ain't no telling what we do

Got me talking love you  
Got me talking love you  
Now we're talking love you  
I've been waiting for this love  
Got me talking love you  
Got me talking love you  
Now we're talking love you  
I've been waiting for this love

And after all  
The time we spent  
You can have my heart  
Time and time and time again

And through these nights  
You've got me mesmerized  
Thinking how do I get your body right here next to mine

And when the hours pass

And the feelings last  
I fall in love with the way you talk and the way you laugh  
You know I've waited for this love

We gon' stay the night in  
Cause I've been  
Waiting for this love  
No, I just can't enough

Would you wanna stay the night in  
The time is  
Right for me and you  
Ain't no telling what we do

Got me talking love you  
Got me talking love you  
Now we're talking love you  
I've been waiting for this love  
Got me talking love you  
Got me talking love you  
Now we're talking love you  
I've been waiting for this love
