

What Hurts The Most

Austin Mahone

I can take the rain on the roof of this empty house that
Don't bother me I can take a few tears now and then and
Just let them out I'm not afraid to cry every once in a
While even though goin on still upsets me there are days
Every now and again I pretend I'm okay but that's not what gets
me

What hurts the most has been so close and havin so much
To say and watchin you walk away never knowin what could
Have been and not sayin that I love you is what I was tryin to
do

Ooh ooh mmm its hard to deal with the pain of losin you
Everywhere I go but I'm doin it its hard to force that
Smile when I see our old frinds and I'm alone still
Harder gettin up gettin dressed livin with this regret
But I know that I will do it over I would trade give away
All the the words that I saved in my heart that I have left uns
poken

What hurts the most has been so close and havin so much
To say and watchin you walk away never knowin what could
Have been and not sayin that I love you is what I was tryin to
do

And thats what I was tryin to do
