

Beyond A Mortal

Austra

I'm in love with your color
It makes me so good
It makes me feel good
I can't believe what you've done

I'm in love with your color
Changes my mood when it shines
Keeps me aligned
Can't feel unrest

I'm in love with your color
It makes me so good
It makes me feel good
I can't believe what you've done
I can't believe it anymore
