

I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
I took your microphone
It's in the river
