

Shoot The Water

Austra

Silence,
Silence speaks for you.
Silence speaks for you.
And diamonds,
Diamonds shine like you.
Diamonds shine like you.

Stop that, stop it, stop it as a panther.
Stop that, stop it as a panther.
Silence,
Silence speaks for you.

I want your blood
I want it in my hair.
I want your blood
I want it in my hair!

Shoot the water
Shoot the water
Shoot the water baby I've been found!
Shoot the water
Shoot the water
Shoot the water baby I've been found!

Shame,
Shame is your name.
Shame is your name.
And desperate
Desperate things can't measure it.
Desperate things can't measure it.

Silence speaks for, silence speaks for
Silence speaks for you.

I want your blood
I want it in my hair.
I want your blood
I want it in my hair!

Shoot the water
Shoot the water
Shoot the water baby I've been found!
Shoot the water
Shoot the water
Shoot the water baby I've been found!

I've been found!
I've been found.
