

Errol

Australian Crawl

Convict state
It just don't rate
He want to get higher
Apple Isle
The inbred smile

He's going to get by'a
His mother's hand
He could not stand
He left for the islands

To fish and hunt
He take a punt
The New Guinea Highlands

Woh, Errol
I would give everything
Just to be like him

He had to go, the Sirocco
He's sailin the high seas
Hollywood, Captain Blood
He's billing the Nazi's

Took a rebel stand
Contraband
Coast of Mexico
He want to pounce
Like an animal
To girls he just can't say no

Woh, Errol
I would give everything
Just to be like him
Woh, Errol
I would give everything
Just to be like him

He had them all
Screamin' for more
He play the wild scene
Ah scandalise
No compromise

He's down on his knees
Swashbuckling
He was the king
The toast of Tinseltown

They build him up
They took it all
And then they
Just cut him down

Oh, Errol
I would give everything
Just to be like him

Oh, Errol
I would give everything
Just to be like him

Don't tell me it's true
I don't wanna hear about it
Don't tell me it's true
I don't wanna hear about it

Don't tell me it's true
I don't wanna hear about it
Don't tell me it's true
I don't wanna hear about it

Oh, Errol
I would give everything
Just to be like him
Oh, Errol
I would give everything
Just to be like him

Oh, Errol
I would give everything
Just to be like him
Oh, Errol
I would give everything
Just to be like him
