

I Am A Cybernetic Organism, Living Tissue Over (Metal) Endoskeleton

Austrian Death Machine

I am a war machine

I'm a cybernetic organism, living tissue over metal endoskeleton

You want to know who I am?
Do you know who programmed you?
I am a war machine
Killing people is what I do

I am a cybernetic organism
Living tissue over endoskeleton
I am a cybernetic organism
Living tissue over endoskeleton

I have been sent back to protect you
My mission prerogative is to see this through
I am a war machine
Killing people is part of me

I am a cybernetic organism
Living tissue over endoskeleton
I am a cybernetic organism
Living tissue over endoskeleton

I am a war machine
Don't try to change me
I am a war machine
You are the one who sent me

I am a war machine
Don't try to change me
I am a war machine
You are the one who sent me

I am a cybernetic organism
Living tissue over endoskeleton
I am a cybernetic organism
Living tissue over endoskeleton

I am a war machine
I am a war machine
I am a war machine
I am a war machine
