Here we go Think about the promises that kept you walking wandering in tim Whoa! Don't you know they kept you walking kept you wanting kept you walking everybody! I keep on thinking the same old thing, but then again what can I keep on trying to live my life, I keep trying to find a bette r way! Well as everyday goes by I'll try, but I don't know if I'll mak e it through But I'll move along and push on until I do Because everything that you'd tried to build in time Well that's everything you'd tried to hide Well that's everything that you want to believe Your motivation puts you where you'll be What a way, don't waste away in time! Well I'm seeing through the eyes of a modern man that I don't k now Should I try to find Could I buy the time? I don't know Well stand together, we will forever, gotta bet we'll be okay Wide-eyed reminisce, what a blissful good ol' days So here we go, through eyes that I don't know Will we move along? Time will only show, because it's everything that you want to believe A revelation, find a way to see all those memories are not put up on the side! When you look around the world and the scenes, all the means, little things, what it means to you When suddenly, no warning to mourning, what you think takes a total different point of view What it means, little things, all the means, world scenes turn around and take a look at you You never know when you go, live it up here we go! Got a lot more living to do! Hey! In time: You don't face tomorrow what a way to waste away in life You're taking for granted all the little things you'd never rea lized Well I'm 21 today, how many more? How should I know? Counting down the days here we go! Because everything that you tried to build in time Well that's everything you tried to hide! Well that's everything that you want to believe Your motivation puts you where you'll be What a way don't waste away in time! Sponzor: www.srovnavac.cz - šetříme na pojištění!

Every little thing you tried to build in time!
