Not You

Not you! Not you! Not you! Not you! I'm me not you! What have I done, and what am I to believe? Well, not a single thing you're saying to me I've had enough my friend, and I'm fed up again Well it's me not you See it's my life not yours Take a look I'm not gonna take anymore Don't you know it's me not you! Individuality, what does it mean I think it's you'll be you, and I'll be me Your own opinion? Great, grand, good for you It's still me, not you It's my life not yours Take a look I'm not gonna take any more Don't you know it's me not you.
