

## Solitude

Authority Zero

By myself I sit alone  
I'm wondering about a poem  
I can't express the way I feel in words  
I start to write when I'm all alone

I can't say that I know what I'm talking about  
I can't say that I can keep below a shout  
I can't say that I want what I'm writing about  
I can't say that I know what I'm talking about

As my body turns to stone  
I start to peel my brain right to the bone  
I'm trying to bring justice to my thoughts  
I'm trying just to let my mind reign

I can't say that I know what I'm talking about  
I can't say that I can keep below a shout  
I can't say that I want what I'm writing about  
I can't say that I know what I'm talking about

Now I can't feel a fucking thing  
Well then I ask myself, why should I sing?  
I'm trying to bring justice to my thoughts  
I'm trying just to let my fucking mind reign

I can't say that I know what I'm talking about  
I can't say that I can keep below a shout  
I can't say that I want what I'm writing about  
I can't say that I know what I'm talking about
