

# You'll get over it

Autograph

So it didn't work out like you'd planned  
Baby that's how it goes  
You gave all you had to that man  
Honey, even your clothes

You're feelin' used  
And you're feelin' abused  
So you took a fall  
Well it happens to us all

You'll get over it  
Sometimes you win and sometimes you lose  
You'll get over it  
Everybody's got to pay their dues

So you thought it was love at first sight  
Well I guess you were wrong  
And you didn't give much of a fight  
After waiting so long

You made your mistake  
You have to live with your heartache  
Yeah, you took a fall  
Well it happens to us all

You'll get over it  
Sometimes you win and sometimes you lose  
You'll get over it  
Everybody pays their dues  
You'll get over it  
Yeah, you're gonna get over it

Maybe it's your turn, to play the fool  
Maybe now you'll learn, love can be so cruel, yeah

Wooh, c'mon girl

(Solo)

You'll get over it  
Sometimes you win and sometimes you lose  
You'll get over it  
Everybody pays their dues  
You'll get over it, I know you're gonna get over it  
You'll get over it  
You'll get over it, you're gonna get, you're gonna get  
You're gonna get over it  
You'll get over it
