

This is as quiet as it gets  
Hush down now  
Go to sleep  
We were once  
Perfect  
Me and you  
We'll never leave this room

H-H-H-Hush  
You color my eyes red  
Your loves not alive it's dead  
This letters written itself inside-out again  
When rivers turn to roads and lovers become trends  
H-H-H-Hush this is where it ends

This is the calming before the storm  
This absolution is always incomplete  
It's always bittersweet

H-H-H-Hush  
You color my eyes red  
Your loves not alive it's dead  
This letters written itself inside out again  
When rivers turn to roads and lovers become trends  
H-H-H-Hush this is where it ends

I won't make a sound so you don't wake  
Don't wake don't wake  
You don't wake  
You don't wake

Hush  
You color my eyes red  
Your loves not alive it's dead  
This letters written itself inside out again  
When rivers turn to roads and lovers become trends  
H-H-H-Hush this is where it ends  
You color my eyes red  
Your loves not alive it's dead  
This letters written itself inside out again  
When rivers turn to roads and lovers become trends  
H-H-H-Hush this is where it ends  
This is where it ends  
This is where it ends...
