

Who's Gonna Go

Automatic Loveletter

Every day you tear me down.
And every night you turn around,
And tell me kindly that you like me
Just the way that I am now.
Will if you like me so much,
Then tell me why are you giving up?
Isn't love enough? I guess it's not.
I can't believe it happened to me.

Who's gonna drive me home when we're not speaking?
Who's gonna let me know that I'm believed in?
Who's gonna stay cause I won't if you're really leaving?
I hope you see it's truly me who's gonna go.

You tell your friends it's time to leave.
But, then you tell me that you see
Something here you can't imagine having without me.
Well, I can see right through your lies.
The clear glass cover of your pride.
There's nothing wrong with what you keep inside.
I can't believe it happened to me.

Who's gonna drive me home when we're not speaking?
Who's gonna let me know that I'm believed in?
Who's gonna stay cause I won't if you're really leaving?
I hope you see it's truly me who's gonna go.
Just stay around.
You're too far out, you're too far out.
Who's gonna go?
Just stay around.
You're too far out, you're too far out.

Who's gonna drive me home when we're not speaking?
Who's gonna let me know that I'm believed in?
Who's gonna stay cause I won't if you're really leaving?
I hope you see it's truly me who's gonna go.
Who's gonna drive me home when we're not speaking?
Who's gonna let me know that I'm believed in?
Who's gonna stay cause I won't if you're really leaving?
I hope you see it's truly me who's gonna go.
It's truly me who's gonna go.
