

Mauled To Death

Autopsy

Awaiting with patience ready to attack
Feel him breathing down your back
Waiting to rip your face apart
Young victim soon to depart

Seeking its prey
Trained to kill
A desire for blood
To fulfill

Ripping flesh
Savage killer
Defenseless victims
Mauled to death

Mauled to death
Tear out your fucking throat

Pouncing on the child
Dead carcass left behind
Sickening bloodbath
The parents will find

Mangled corpse
Twisted around
Limbs gnawed off
Head not found

Mauled to death
Tear out your fucking throat
