

## Mauled To Death

### Autopsy

Awaiting with patience ready to attack  
Feel him breathing down your back  
Waiting to rip your face apart  
Young victim soon to depart

Seeking its prey  
Trained to kill  
A desire for blood  
To fulfill

Ripping flesh  
Savage killer  
Defenseless victims  
Mauled to death

Mauled to death  
Tear out your fucking throat

Pouncing on the child  
Dead carcass left behind  
Sickening bloodbath  
The parents will find

Mangled corpse  
Twisted around  
Limbs gnawed off  
Head not found

Mauled to death  
Tear out your fucking throat
