Awaiting with patience ready to attack Feel him breathing down your back Waiting to rip your face apart Young victim soon to depart

Seeking its prey
Trained to kill
A desire for blood
To fulfill

Ripping flesh
Savage killer
Defenseless victims
Mauled to death

Mauled to death
Tear out your fucking throat

Pouncing on the child Dead carcass left behind Sickening bloodbath The parents will find

Mangled corpse
Twisted around
Limbs gnawed off
Head not found

Mauled to death
Tear out your fucking throat
