

## Shells And Butterflies

Autumnblaze

Warm ocean  
My feet in the sand  
Swirling motion  
Round salty water  
Tonight I'll save you  
[Chorus:]  
Shells and butterflies  
...  
Feel the ocean  
Intoxicating photograph  
Of emotion  
A filtered moment  
Feel the wide ocean  
My voice in the water  
...  
...  
...
