

# Be Damned

Ava Inferi

I'm inside  
Distant words stain my ground  
Leaving hope far behind  
The walls are building higher  
My defense is all that you will see

Last call for the damned  
Hear me  
Cursed will be the land  
We seek

I'm outside  
Looking in through your eyes  
All this seems so far behind  
I'm outside myself

Last call for the damned  
Hear me  
Cursed will be the land  
We seek

Last call for the damned  
Hear me  
Cursed will be the land  
We seek
