

Blue Ridge

Avail

Yes I, yes I'm worried
They they're lies
Yes I, yes I'm sorry
That I tried
But I lay it down too deep
Sometimes for too long
Up for a moment
Than that moment's gone
And I pray that you know
I'd bleed for a home
I got worried
But won't be long
So long I took it
Got me down
But I took it
Stayed out
Stayed out too late for trust
Don't feel sorry
I'm not worried
