Avail

Yes I, yes I'm worried  
They they're lies  
Yes I, yes I'm sorry  
That I tried  
But I lay it down too deep  
Sometimes for too long  
Up for a moment  
Than that moment's gone  
And I pray that you know  
I'd bleed for a home  
I got worried  
But won't be long  
So long I took it  
Got me down  
But I took it  
Stayed out  
Stayed out too late for trust  
Don't feel sorry  
I'm not worried
