Avail

Day breaks the same for the expressionless open the gates at a
stand still routine media dreams, no reality pressure eager to
be recognized fighting for promotion
no time for rest no
next door no contact impersonal glance afraid to go out learn t
o isolate companionship through classifieds a desperate attempt
to put a name on the face
no time for companionship no
ego knows you want ego knows you'll take it
inconvenience a nightmare never ending race four wheels, paveme
nt ego, poor health hands of greed grab whatever they can take
eager to materialize fighting for a piece
no time for rest no
rise
when it happens friend no, don't let them break you
rise
no matter what they say no, don't let them break you
