

## Falling

## Avalanch

Troubles and pains make your darkness  
Cries and screams make you a fool  
Your future dreams in this hard way  
This things you think, make the rules

Falling  
Trying to understand  
Falling (you're falling, you're falling, you're falling down)  
Is the way to never fall again

Oooh ooohh oooh ooohh... if you wanna cry  
Oooh ooohh oooh ooohh... do it tonight  
Oooh ooohh oooh ooohh... learn from the pain  
Oooh ooohh oooh ooohh... to rise again

Falling  
Trying to understand  
Falling (you're falling, you're falling, you're falling down)  
Is the way to never fall again

Oooh ooohh oooh ooohh... if you wanna cry  
Oooh ooohh oooh ooohh... do it tonight  
Oooh ooohh oooh ooohh... learn from the pain  
Oooh ooohh oooh ooohh... to rise again  
Oooh ooohh oooh ooohh... to rise again  
Oooh ooohh oooh ooohh... learn from the pain  
Oooh ooohh oooh ooohh... to rise again  
Oooh ooohh oooh ooohh... troubles and pain make your darkness  
Oooh ooohh oooh ooohh... make your darkness  
Oooh ooohh oooh ooohh...
