

# Everything to Me

Avalon

I grew up in Sunday school  
I memorized the golden rule  
And how Jesus came to set the sinner free  
I know the story inside out  
I can tell you all about

The path that led Him up to Calvary  
But ask me why, He loves me  
And I don't know what to say  
But I'll never be the same  
Because he changed my life when He became

Everything to me, He's more than a story  
More than words on a page of history  
He's the air that I breath the water I thirst for  
And the ground beneath my feet  
He's everything, everything to me

We're living in uncertain times  
And more and more I find that I'm aware  
Of just how fragile life can be  
I want to tell the world I found  
A love that turned my life around

They need to know that they can taste and see  
Now everyday I'm praying  
Just to give my heart away  
I want live for Jesus  
So that someone else might see that He is

Everything to me, He's more than a story  
More than words on a page of history  
He's the air that I breath, the water I thirst for  
And the ground beneath my feet  
He's everything and looking back over my life at the end  
I'll go to meet you saying you've been

You're everything to me, You're more than a story  
More than words on a page of history  
You're everything to me, You're more than a story

More than words on a page of history  
You're the air that I breath the water I thirst for  
And the ground beneath my feet  
You're everything to me  
Lord, You're everything to me
