

# I'm Speechless

Avalon

Some can write a sonnet to describe in silvery words  
The rising and the setting of the sun  
Some can paint a picture in shades of vibrant color  
It almost looks like heaven when they're done

(Lord, when I try to speak from my heart)  
Lord, when I try to speak from my heart  
(I don't know where to start)  
I don't know where to start

When it comes to You I'm speechless  
Nothing holds a candle to the wonder of Your love  
I'm amazed by Your grace, Your forgiving embrace  
And I'm finding words could never be enough  
I'm speechless

I've tried to write the song  
I've searched my heart for phrases  
But they only catch a glimpse of all You are  
If I lived a thousand lifetimes  
I'd never come close to saying  
Enough about the hope that I found in Your arms

('Cause when I try to speak from my heart)  
'Cause when I try to speak from my heart  
(I don't know where to start)  
I don't know where to start

When it comes to You I'm speechless  
Nothing holds a candle to the wonder of Your love  
I'm amazed by Your grace, Your forgiving embrace  
And I'm finding words could never be enough  
I'm speechless

And when I see the setting of the sun  
I can't find the words, there'll never be enough  
I'm speechless, speechless at the wonders of Your love

When it comes to You I'm speechless  
Nothing holds a candle to the wonder of Your love  
I'm amazed by Your grace, Your forgiving embrace  
And I'm finding words could never be enough  
I'm speechless

When it comes to You, I'm speechless  
(Speechless)  
Nothing, no one, compares to Your love  
I'm amazed by Your grace, Your forgiving embrace  
(Your amazing grace)  
Ooh, I'm finding words could never be enough  
I'm finding words could never be enough  
I'm speechless, I'm speechless

And I'm finding words could never, never be enough  
La, la, la, la  
I'm finding words could never, never be enough  
La, la, la, la

(I'm speechless)

And I'm finding words could never, never be enough

La, la, la, la

(I'm speechless)

I'm finding words could never, never be enough

La, la, la, la

(I'm speechless)
