## **Light a Candle**

Light a candle
For the old man who sits staring
Out a frosty windowpane

Light a candle For the woman who is lonely And every Christmas is the same

For the children who need More than presents can bring

Light a candle, light the dark
Light the world, light a heart or two
Light a candle for me
I'll light a candle for you

Light a candle For the homeless and the hungry A little shelter from the cold

Light a candle For the broken and forgotten May the season warm their souls

Can we open our hearts
To shine through the dark?

Light a candle, light the dark
Light the world, light a heart or two
Light a candle for me
I'll light a candle for you

Ooh and in this special time of year May peace on earth surround us here And teach us there's a better way to live

Oh, and with every flame that burns We must somehow learn
That love's the greatest gift
That we could ever give

Light a candle, light the dark Light the world (Light a heart or two) Light a candle for me I'll light a candle for you

Light a candle, light the dark Light the world (Light a heart or two) Light a candle for me I'll light a candle for you

Light a candle for me
I'll light a candle for you
(Light a candle for me)
