

New Day

Avalon

It's a new day oh, it's a new time
And there's a new way I'm gonna live my life
All the old has, passed away and new has come
Thank God, it's a brand new day

Lookin' back on yesterday there are things that I regret
But I put the past behind me and I never will forget
You have covered my mistakes and my broken dreams
Now over the horizon I see the dawn is drawing near
And I realize the sun did rise tomorrow's finally here

And it's a new day oh, it's a new time
And there's a new way I'm gonna live my life
All the old has, passed away and new has come
Thank God, it's a brand new day

Now when I wake up thinkin' 'bout the things I've done before
Memories I could not escape well they can't haunt me anymore
Now I can hold my head up high 'cause I am not the same
You've changed my whole perspective and with new eyes I see
I've become a new creation 'cause of what You've done for me

It's a new day oh, it's a new time
And there's a new way I'm gonna live my life
All the old has, passed away and new has come
Thank God, it's a brand new day, yeah

'Cause of what You've done for me no, I am not ashamed
This heart of mine is finally free I'll never be the same, yeah

It's a new day yeah, it's a new time
And there's a new way I'm gonna live my life
All the old has, passed away and new has come
Thank God, it's a brand new, brand new, brand new day

It's a new day oh, it's a new time
And there's a new way I'm gonna live my life
All the old has, passed away and new has come
Thank God, it's a brand new day

It's a new day oh, it's a new time
And there's a new way I'm gonna live my life
All the old has, passed away and new has come
Thank God, it's a brand new day

Thank God, it's a brand new day, yeah
Thank God, it's a brand new day, yeah
