

# The Basics Of Life

Avalon

We've turned the page, for a new day has dawned  
We've re-arranged what is right and what's wrong  
Somehow we've drifted so far from the truth  
That we can't get back home

Where are the virtues that once gave us light  
Where are the morals that governed our lives  
Someday we all will awake and look back  
just to find what we've lost

We need to get back  
To the basics of life  
A heart that is pure  
And a love that is blind  
A faith that is fervently  
grounded in Christ  
The hope that endures for all times  
These are the basics,  
we need to get back  
To the basics of life

The newest rage is to reason it out  
Just meditate and you can overcome every doubt  
After all man is a God, they say  
God is no longer alive

But I still believe in the old rugged cross  
And I still believe there is hope for the lost  
And I know the rock of all ages will stand  
Through changes of time

We need to get back  
To the basics of life  
A heart that is pure  
And a love that is blind  
A faith that is fervently  
grounded in Christ  
The hope that endures for all times  
These are the basics,  
we need to get back  
To the basics of life

We've let the darkness invade us too long  
We've got to turn the tide  
Oh and we need the passion that burned long ago  
To come and open our eyes  
There's no room for compromise

We need to get back  
To the basics of life  
A heart that is pure  
And a love that is blind

We need to get back  
To the basics of life  
A heart that is pure  
And a love that is blind

A faith that is fervently  
grounded in Christ  
The hope that endures for all times  
These are the basics,  
we need to get back  
To the basics of life
