

This girl was so fine  
Much more than two dimes  
I had to pump my brakes man she  
Looked like no other kind  
You could see in your mind  
I had to take this one with me  
Now, could you imagine  
like everything you want  
Every peice of your fantasy  
Was just like a dream come true  
One thing for me to do  
I had to get this girl

Girl you know I see in your eye  
I'm checking you, you're checkin me  
We both can see it's meant to be  
Come chill with your man AV  
Let's spend some time, sip on some wine  
Baby relax let's take our time  
We both can see it's meant to be  
Come chill wit ya man AV

You know there's no limit  
to things I wanna do  
I'll make your every dream come true tickets first class for two  
Penthouse with ocean veiws,  
now feel me while I set the mood  
Dinner by candle light girl  
get cha mind right  
And damn you are the sexy type  
baby girl I got plans for you  
Disregaurd all the rules,  
tonight I'm getting into you

First I'm gonna work ya body  
from the top  
Get around the middle baby I won't stop  
Then I'll keep it movin' till I find the spot  
Temperature is rising girl it's so so hot

Girl you know I see in your eye  
I'm checking you, you're checkin me  
We both can see it's meant to be  
Come chill with your man AV  
Let's spend some time, sip on some wine  
Baby relax let's take our time  
We both can see it's meant to be  
Come chill wit ya man AV

And now the back bone slippin  
and the hands are girppin  
And the sheets is drippin  
and the body's flippin yes!  
This is a piece I can't give ya too much  
It's an example of makin' good love  
And thw walls is shakin'  
and the bed is breakin' And the lips is movin'

and the hips is groovin' yes!  
And I got the protection  
for this type of affection  
When you're pitting your best in there  
Ain't no time for restrain

Girl you know I see in your eye  
I'm checking you, you're checkin me  
We both can see it's meant to be  
Come chill with your man AV  
Let's spend some time, sip on some wine  
Baby relax let's take our time  
We both can see it's meant to be  
Come chill wit ya man AV
