

Best Friend

Avant

I'm looking at the texts from you
All except from what he put you through
This time it seems like it feels like kinda way
Said you really need to see me
But it's a different kind of energy
Maybe I'm just tripping, maybe you're just teasing
All I need is a reason, oooh
But tonight is just the right time
I got freaky [?] on my mind
Hope you feeling the same,
Feeling this too strong, girl it's on

I'm about press send,
I'm talking to my best friend
Since I don't know what I into
I don't know if it's the right thing to do
I don't wanna feel different
Rolling with my best friend
Yeah, yeah, I was told that something like this could happen
When you make the opposite your best friend
Oh-oh oh-oooh
Oh-oooooh-oh-ooh yeah
When you make the opposite your best friend

I'm sitting outside of your house
Ready to tear that thing out
It's hard to say how I feel about it the next day
I can tell from your texts now,
That you're ready to have sex now
You say you undressing, 'bout to relax
Guarantee it's going down now
Ooooh
I've been knowing you for a long time,
Never had a thing on my mind
Maybe she's delirious, maybe I'm just curious

I don't know, I'm about press send,
I'm talking to my best friend
Since I don't know what I into
I don't know if it's the right thing to do
I don't wanna feel different
Rolling with my best friend
Yeah, yeah, I was told that something like this could happen
When you make the opposite your best friend
Oh-oh oh-oooh
Oh-oooooh-oh-ooh yeah
When you make the opposite your best friend
Oh-oh oh-oooh
Oh-oooooh-oh-ooh yeah
When you make the opposite your best friend

Boom clap, boom, boom clap
Boom clap, boom boom clap
You win, you win or either you lose
When you make the opposite your best friend
Either way, it's a chance I'm a take
Hod out the game, it's a lot at stake

You win, you win or either you lose
When you make the opposite your best friend

Oh-oh oh-oooh
Oh-ooooh-oh-oooh
Best friend, best friend,
Opposites attract
Oh-oh oh-oooh
Oh-ooooh-oh-oooh
When you make the opposite your best friend
Best friend, best friend, best friend, best friend
When you make the opposite your best friend
Oh-oh oh-oooh
Oh-ooooh-oh-oooh
Best friend
When you make the opposite your best friend
